### Special notes:

Dear Parents,

Please send your child dressed for Splash Day. After splashing, they will dress for the rest of the day. You need to send a complete change of clothes in a plastic grocery bag. Please don't send a beach bag. Don't forget undergarments as well as tennis shoes. Label everything you bring (ie. Swim shoes, towel, swimsuit, etc). We want everyone to go home with their things.

DO NOT send your child in crocs for splash day. They become VERY slick and can be unsafe.

Fill out a medication sheet if your child needs sunscreen. We are very excited about being able to splash in the parking lot.

If you have any questions, please contact the office.
