

Inclement Weather Policy Reminders

Our buses **WILL NOT** pick up children at schools if they close early due to inclement weather.

Please be aware that the center may close early due to weather conditions. It is important for the children and staff to arrive home safely. We always try to stay open during inclement weather. We will be open for **working parents ONLY**. On these days, we operate with a very limited staff.

If closing early, we will contact you by email or you can check our website at www.welovekidsbartlett.com.

You may also call the center and listen to a recording that will notify you if we have changed our opening and or closing times.

Thank you for your cooperation.
